MEMORANDUM OF UNDERSTANDING BETWEEN SCP Italy and ISCP

This memorandum of understanding acknowledges a desire on the part of the **Society for Coaching Psychology Italy (SCP Italy)** and the International Society for Coaching Psychology (ISCP) to communicate, and work together in support of the development of the Coaching Psychology profession internationally. It recognises that the organisations share interests and that they seek to establish ways in which the organisations can co-operate.

The link between **SCP Italy** and ISCP is highly valued because the organisations:

- Share a common purpose and hold the same values;
- Together operate in different yet complementary contexts allowing both to learn from one another;
- Have a stronger potential influence over the promotion of our common interests; and
- We believe that together we're enriched, as individuals and as organisations.

The memorandum lays the foundation for further discussion and agreement as regards the future liaison between the two organisations. These discussions to include:

- The sharing of information in printed and electronic media;
- Exchanges and assistance with academic research;
- Mutual recognition of conferences and workshops for professional development in Coaching Psychology;
- Discounts for all members for the attendance of conferences; and
- Discounted access to materials published by the Societies.

Specific items:

1. All coaching psychologists who are full members of the SCP Italy will be offered automatically free Affiliate membership of ISCP and the additional member benefits, available to ISCP affiliate members, as shown on the ISCP website: www.isfcp.info.
2. All coaching psychologists who are accredited members of the SCP Italy will be offered accredited membership status of ISCP, without the fee and associated initial registration for an initial one-year period. Member benefits available to MISCP Accred members of ISCP are available as shown on the ISCP website: www.isfcp.info.
3. **SCP Italy** can nominate representatives to become ISCP Honorary Vice Presidents.
4. **SCP Italy** can have a column in *Coaching Psychology International* to promote their activities.
5. **SCP Italy** can nominate a qualified psychologist to join the Editorial Board of *Coaching Psychology International*.
6. ISCP will recognise all Coaching Psychology conferences and workshops organised by **SCP Italy** as being suitable for the professional development of its members. Events can be listed on the ISCP website.
7. ISCP recognises the accreditation system of the SCP Italy. This means that the accreditation system for coaching psychologists of ISCP and the SCP Italy, are equivalent.
8. **SCP Italy** will encourage and stimulate Coaching Psychology, through the **Ordine Nazionale degli Psicologi**, throughout the whole national territory/area.
